Freeze Protection Solution

ABOUT

- Heat Pump compatible
- SPLIT or MONOBLOC version
- Failsafe device
- Prevent any power supply failure

SPECIFICATIONS

- 4mm stroke from 0°C to 7°C
- Resist to 90°C ambient
- Extremely robust design
- RoHs compliant available
- Heavy load – up to 250N
- Innovative geometry
- Prevent any power supply failure
- Perform well in the air or in liquid
- Vernet Quality
